## EXPANDING MINISTRY

BIGGER DREAMS, & GROWING VISION

### NEW MINISTRY OPPORTUNITIES...

May 2-9 we are taking a ministry trip to northern Mexico to the state of Chihuahua to an indigenous community (the Tarahumara) to work in 3 communities and orphanages and investigate the possibility of future ministry there.

We have traveled to the neighboring state of Veracruz where we provided training in children's and youth ministry and have developed an ongoing relationship and ministry partnership there. They are doing a great job in activating their children and youth for ministry!

# NEW MINISTRY CO-WORKERS...

**Juandi** comes to us from Argentina. He is here working with the youth and children's ministry and traveling to train other churches in the "Warriors" youth ministry strategies. He is an amazing addition to our team here and God is using him in mighty ways! He has been such a blessing to us! He has made a long-term commitment to the ministry in Mexico.

**David ("Tiger")** is a young man from our church in Pachuca. He has had a difficult life, but we have watched him grow in his faith. We sent him off for discipleship training through YWAM and have seen God use him in great ways. We have invited David to work with us as a national missionary in the area of church planting.

As our ministry opportunities have expanded our ministry expenses have also expanded. We are looking for new ministry partners who would like to invest in what God is doing in Mexico. We need to raise a \$1000 a month that will help us minister in new areas and support the new missionaries who are working with us. Please prayerfully consider partnering with us in expanding God's kingdom in Mexico, training up and sending out youth, and planting new churches.
